Daddy's at the food store, mummy can't be found
She's working at the hospital since Rhona came round
Hide away, hide away, miss Rhona's come to town
Hide away, hide away, she's come to take us down
Miss Rhona's at the doorstep, I'll keep six feet away
But Gran needs toilet paper, I'll take her some today
Hide away, hide away, miss Rhona's come to stay
Hide away, hide away, I'll keep six feet away
But Gran needs toilet paper, I'll take her some today
And here's a note from Rhona, she wanted me to say
Hide away, hide away, keep six feet away
Hide away, hide away, she brought us down today.

Miss Rhona wants our old folk, Miss Rhona wants our crowds
There's no one at the school, there's nobody around
Hide away, hide away, she'll wrap us in a shroud
Hide away, hide away, she'll leave us in the ground.

Daddy's at the food store, mummy can't be found
She's working at the hospital since Rhona came round
Hide away, hide away, miss Rhona's come to town
Hide away, hide away, she's come to take us down
Miss Rhona's at the doorstep, I'll keep six feet away
But Gran needs toilet paper, I'll take her some today
Hide away, hide away, miss Rhona's come to stay
Hide away, hide away, I'll keep six feet away
But Gran needs toilet paper, I'll take her some today
And here's a note from Rhona, she wanted me to say
Hide away, hide away, keep six feet away
Hide away, hide away, she brought us down today.

Miss Rhona likes the children, we can't go out to play
Miss Rhona loves the children, she'll take our breath away
Hide away, hide away, miss Rhona's come to town
Hide away, hide away, she's come to take us down

Daddy's at the food store, mummy can't be found
She's working at the hospital since Rhona came round
Hide away, hide away, miss Rhona's come to town
Hide away, hide away, she's come to take us down
Miss Rhona's at the doorstep, I'll keep six feet away
But Gran needs toilet paper, I'll take her some today
Hide away, hide away, miss Rhona's come to stay
Hide away, hide away, I'll keep six feet away
But Gran needs toilet paper, I'll take her some today
And here's a note from Rhona, she wanted me to say
Hide away, hide away, keep six feet away
Hide away, hide away, she brought us down today.
